LETTER OF APPRECIATION

Hanoi, 31 March 2026

Dear Mr. Nguyen Do Anh Dung,

On behalf of CARE International in Vietnam, we sincerely appreciate your valuable support and dedication to our community.

This letter is to recognize **Mr. Nguyen Do Anh Dung**, born on **29 November 2009**, currently a **student of Class 11A3 (Physics-focused) at the High School for Gifted Students – VNU University of Science (HUS), Hanoi, Vietnam**.

Your involvement in the humanitarian response supporting communities affected by Typhoons Matmo and Bouloi in Tuyen Quang province (September 2025 – March 2026) has made a meaningful difference. Your contributions—including translating project documents for partners, supporting the distribution of goods, and developing humanitarian impact stories—have been highly valuable, providing timely assistance to those in need and strengthening CARE International in Vietnam's emergency response efforts.

We truly value your commitment and hope you will continue to grow, inspire others, and contribute to positive change in your community.

With our sincere thanks and best wishes for your continued success in your studies and future endeavours.

Warm regards,

Dinh Thi Hong Phuong
